LIFESTYLE

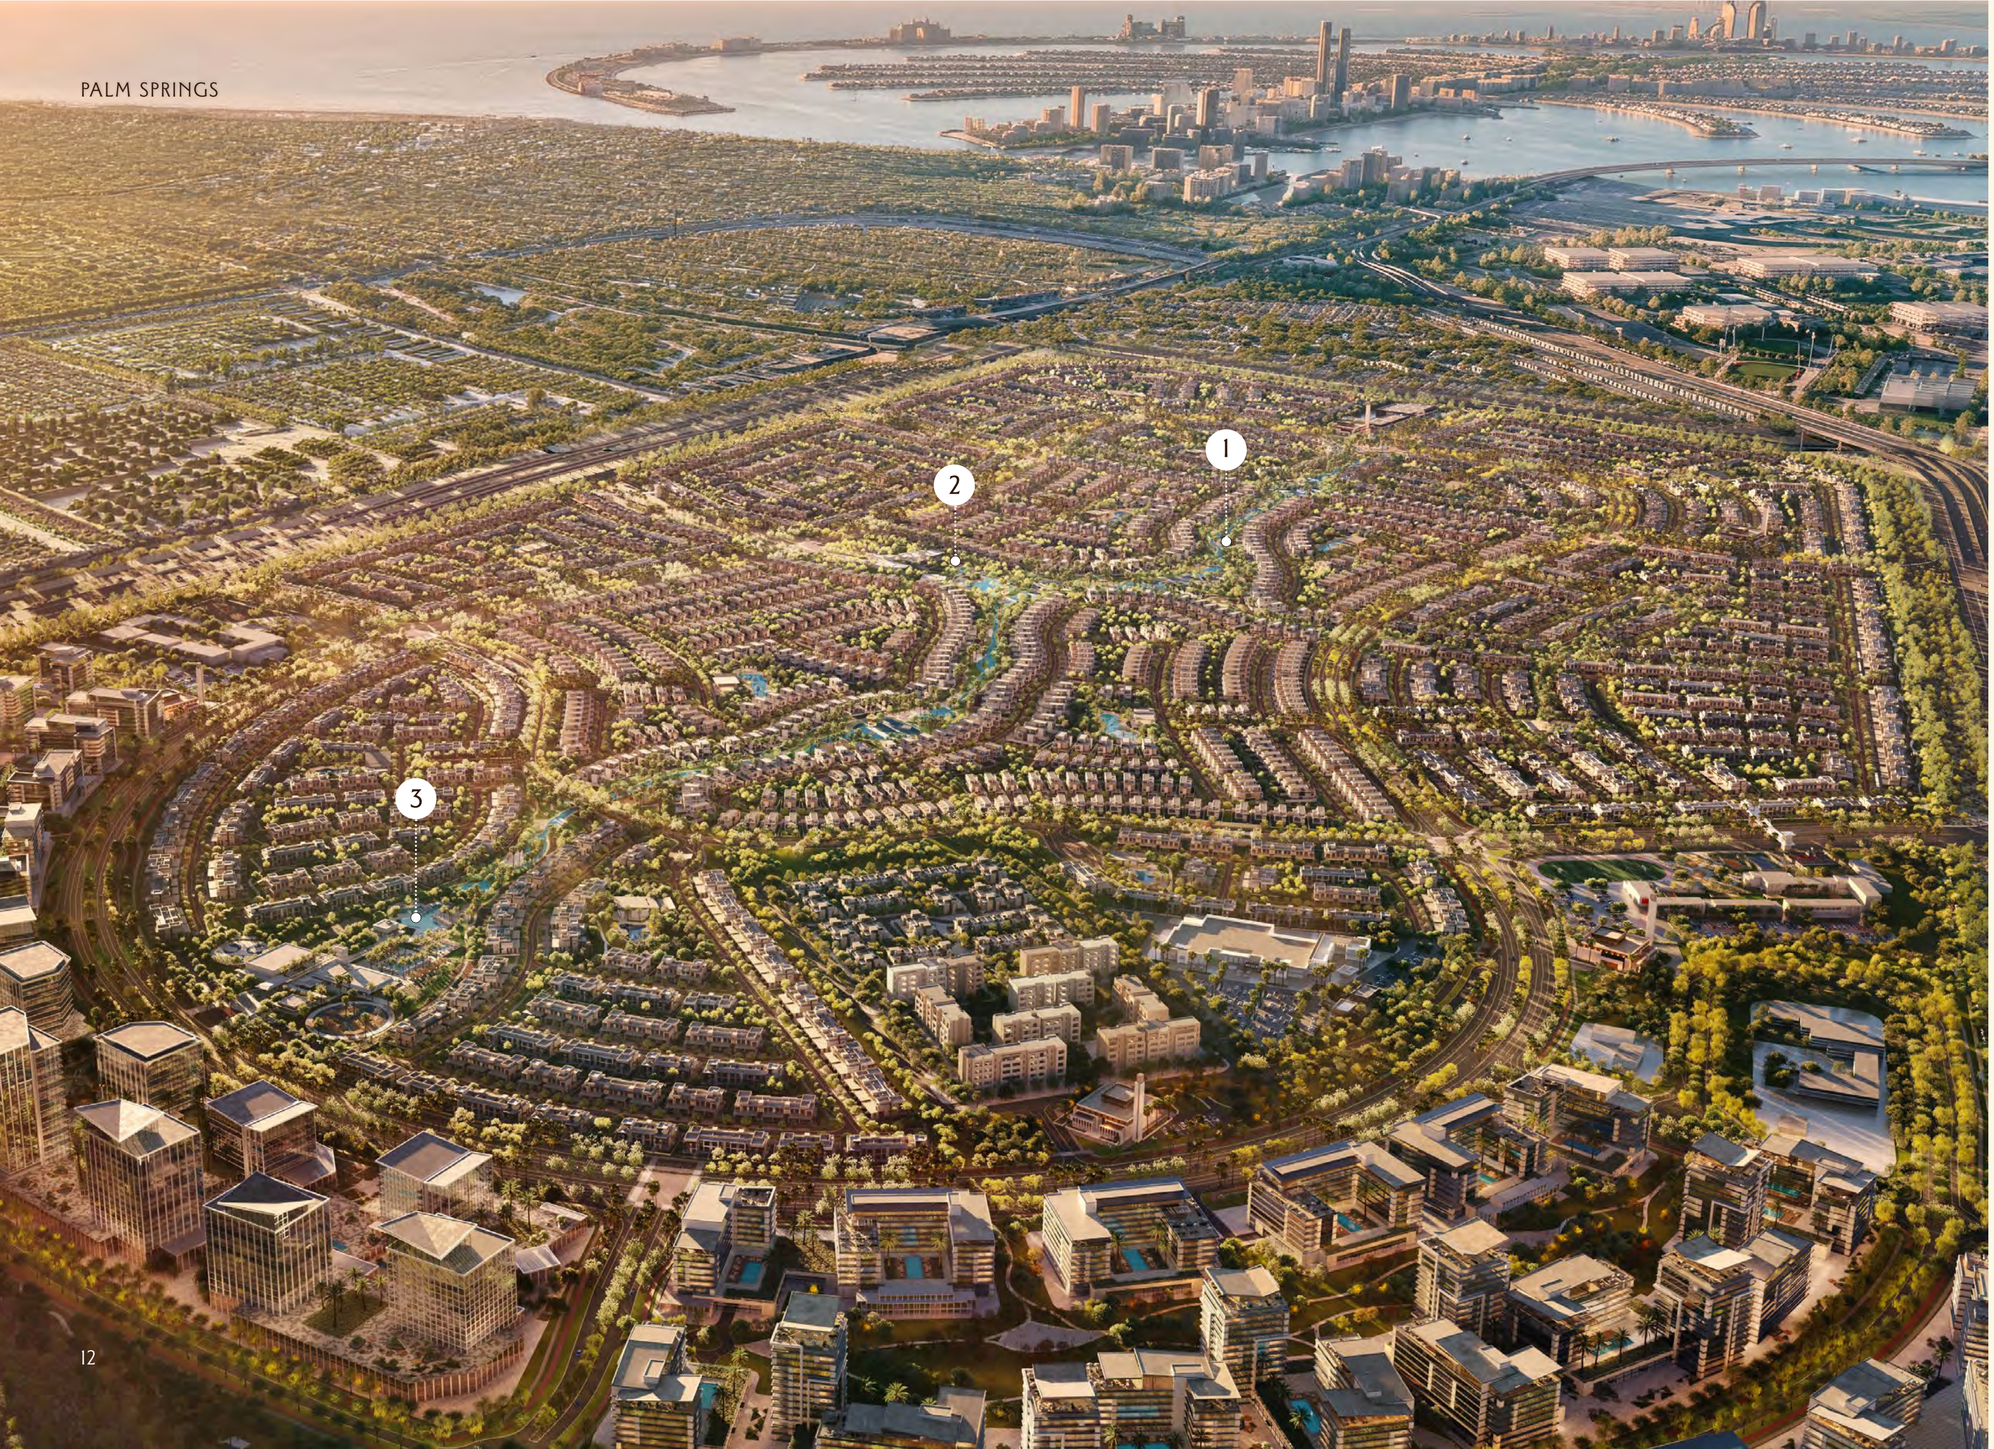

A WORLD WITHIN REACH

At Palm Springs, every day offers something different. Across the community, every amenity offers another way to spend your time, from moments of activity and connection to time spent unwinding. Whether discovering something new or returning to familiar favourites, life here finds its own rhythm.

Some days are meant for slowing down; others for making the most of every moment. Here, both come naturally. A spontaneous lunch might turn into an afternoon with friends, a quick swim might become a whole day by the water, while an evening's dinner turns into a reason to stay a little longer.

CANYON PARK

Canyon Park forms the heart of Palm Springs, a continuous landscape connecting the community. Pathways wander through sensory gardens, beside softly flowing waterways and through open green spaces inviting you to stroll, pause and take it all in.

Streams, ponds and gentle waterfalls weave through the landscape, bringing a sense of calm along the way. Shallow pools and small sandy beaches invite everyone to step into the water and explore, while the surrounding greenery creates places to pause and linger along the way.

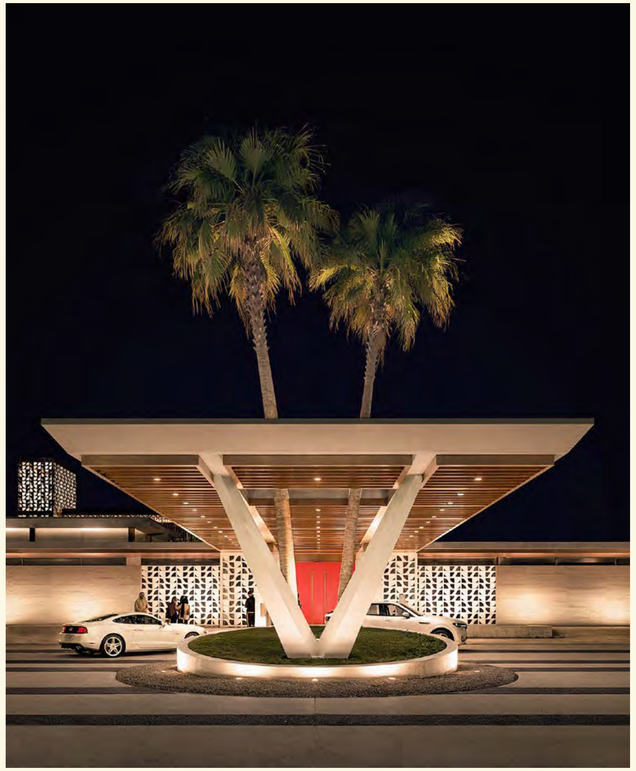

THOUSAND PALMS COUNTRY CLUB

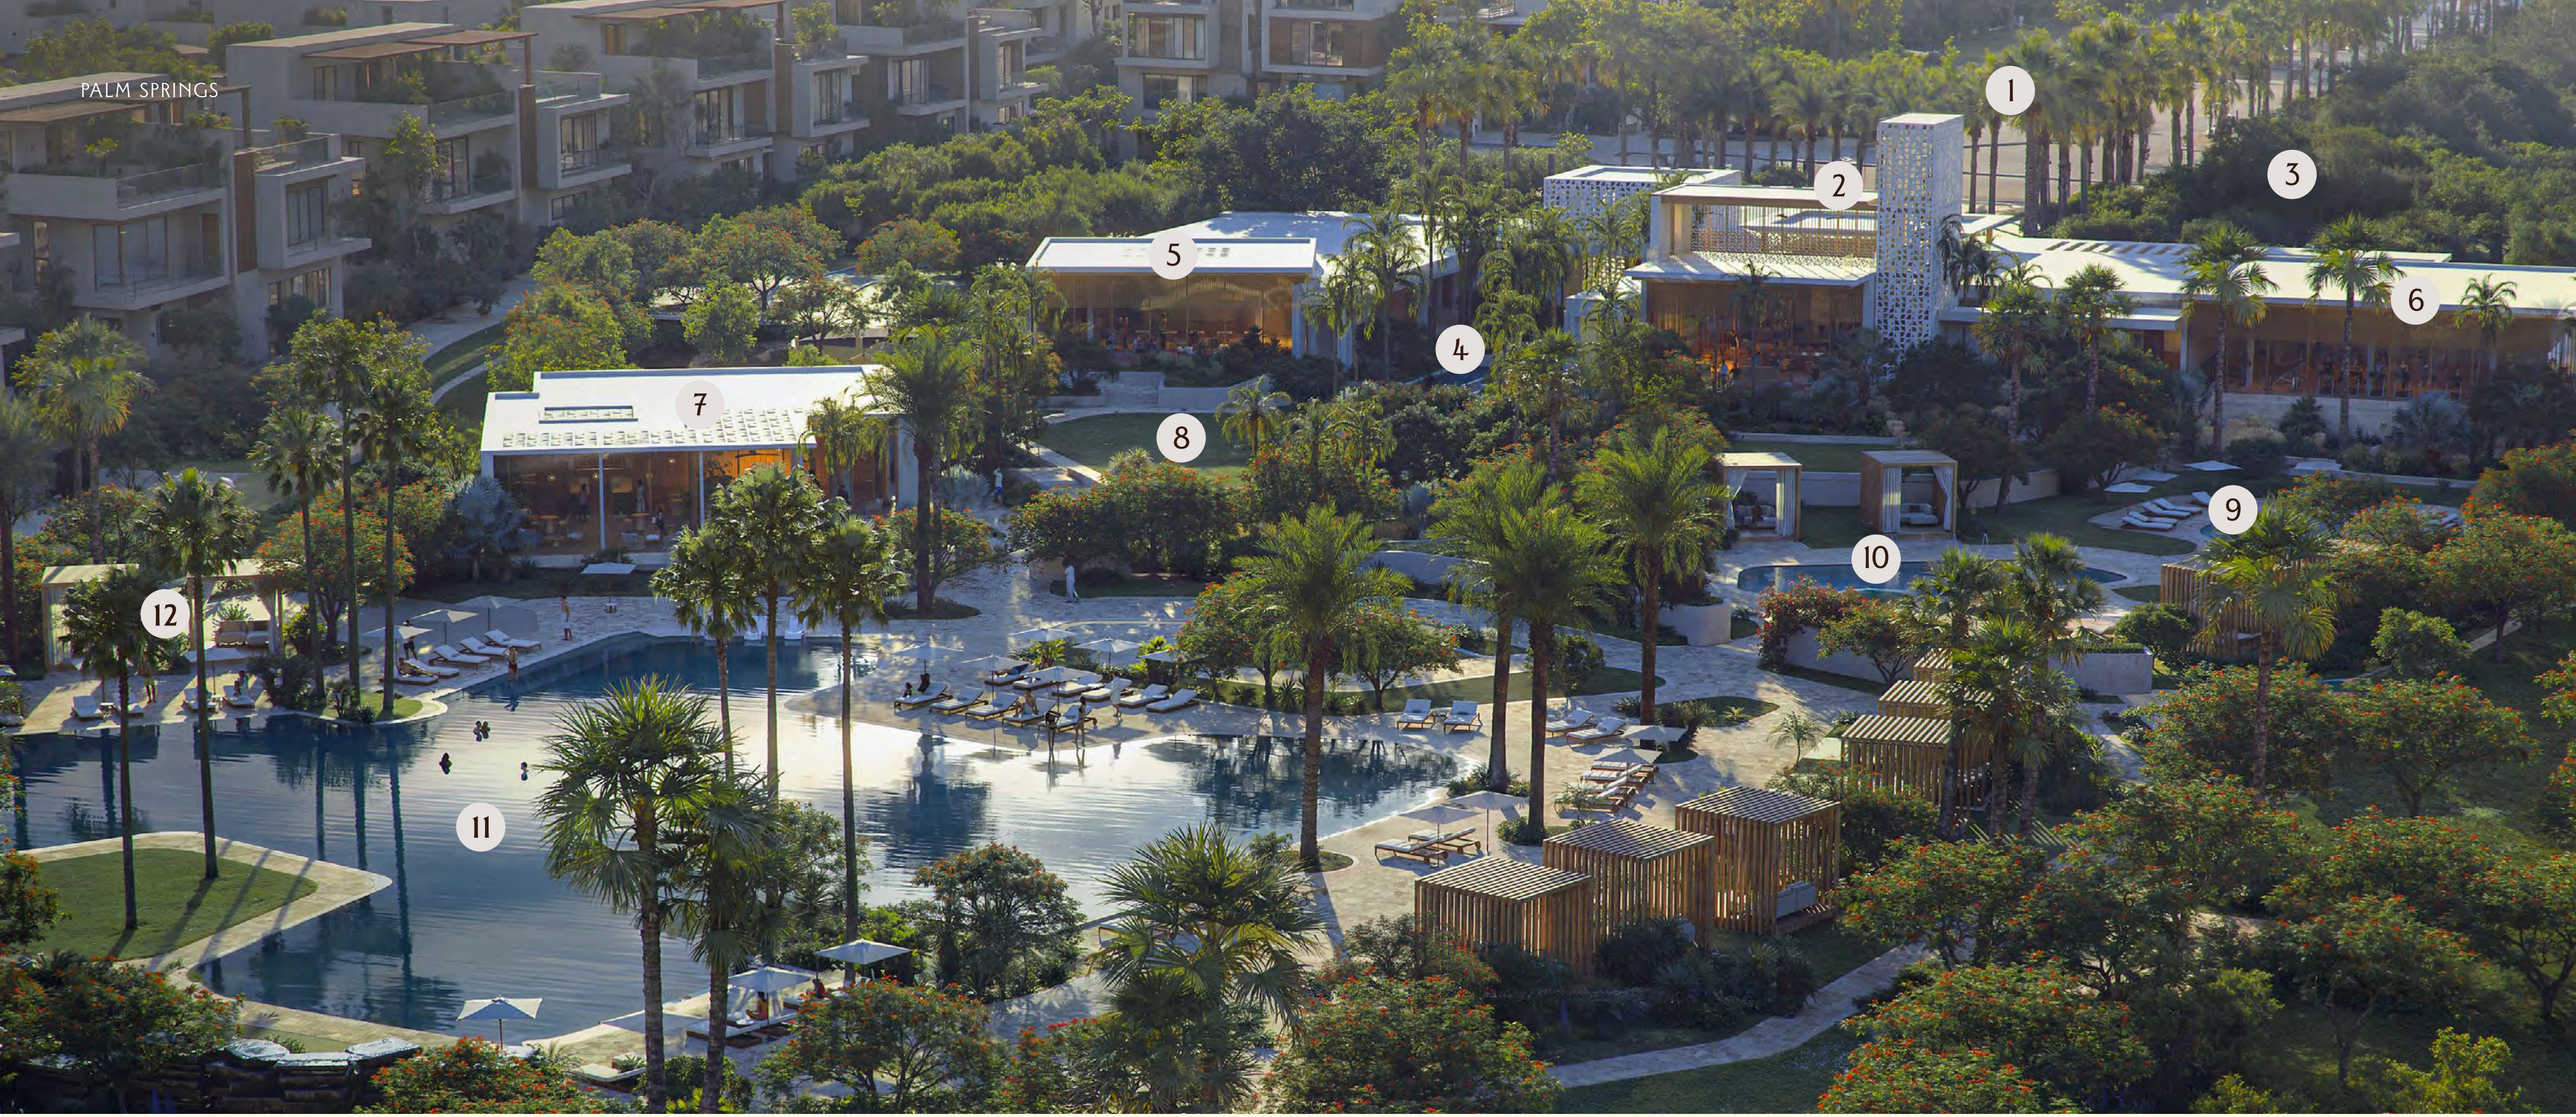

Thousand Palms Country Club brings together dining, wellness and leisure in a beautifully landscaped setting. From leisurely mornings by the water to afternoons with family and evenings over dinner, it's a place made for spending time well.

A beach-inspired pool invites long, sunlit days, while kids' pools, splash pads and play areas keep the youngest swimmers happily entertained. Whether it's a quick dip or a quiet afternoon by the water, every moment feels effortlessly relaxed.
