ROOTED IN EMIRATI TRADITION

Elements of Emirati heritage are thoughtfully woven into the community. It honours centuries-old tradition, reimagined through contemporary design.

OUTDOOR MAJLIS PAVILION

A place for gathering and conversation, rooted in tradition and shaped for modern community life.

AFLAJ WATER FEATURE

A traditional irrigation system reimagined as a flowing feature that cools and enriches the environment.

AREESH

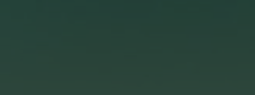

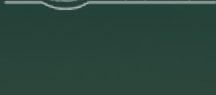

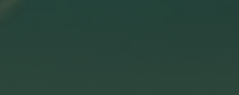

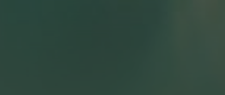

Woven palm-frond elements inspired by traditional building techniques, reinterpreted into the community's boundary walls and screen design by Emirati designer Abdalla AlMulla.

A FOUNDATION FOR THE FUTURE

With a school planned within the Talay community, six leading educational institutions close by, including NYU Abu Dhabi, which is just 1 km away, world-class learning is always within easy reach.
